S106 Modification Application - REJECTED

On 23 October 2024 the S106 modification application was rejected and the planners were told there needs to be better consultation with our community.

The Wixams Joint Development Control Committee considered two applications to modify the developer's S106 obligations for sports and leisure facilities for the rest of Wixams.

Despite all expectations, the committee voted to REJECT both applications, this is based on concerns raised by residents who responded to the applications across three rounds of public consultation.

Three residents from Wixams attended and spoke about the issues we have been facing here, the lack of engagement from the developers and planners, and how those issues have lead to a set of proposals which were rejected by nearly everyone who responded.

The planners were in attendance and were asked a lot of very important and fundamental questions about the applications, many of which they could not answer.

The next steps are better collaboration, something the Wixams Residents Group pushes for over and over. The planners have been asked to engage with the community to make sure they get the plans right on a few last details. The Residents Group have reached out to the developer, Urban and Civic to see if we can offer information on engagement opportunities with the community.

New Youth Outreach Programme

In other news a new youth outreach programme has started in Wixams. On Tuesday 5 November Dan, Crete and Mike from Dan Gaze Support Services visited Wixams as they have been tasked to carry out some youth engagement work in Wixams by the Bedfordshire Violence Exploitation Reduction Unit (VERU) after all the anti-social behaviour issues reported this year. They were met by Leon Staszak from the Wixams Residents Group and Sam Mardell from Wixams Parish Council. Leon and Sam gave a short overview of some of the main concerns and then took the team on a walk to some key hotspots.

Dans team will be visiting Wixams weekly on Tuesday evenings, starting on 12 November. They are also in touch with Wixams Academy and are hoping to engage with teens there on a weekly basis too. There is currently a budget to cover Wixams until the end of March with a hope that more funding can be allocated so their work can continue.

More investment is needed in Wixams so please continue to report every incident to 101, to write to your representatives, including councillors, the Mayor, our MP and the PCC and keep the pressure on.

Wixams Parish Council

Delivered just in time for Remembrance. The Parish Council were asked by the Wixams Yarnbombers to provide a bench for the Community Garden and following approval at the last Parish Council Meeting on 15 October they have arrived. They are currently outside Lakeview Village Hall as a temporary measure.

Wixams Yarn Bombers

We have once again remembered all of those who gave their lives with our Remembrance Display on the wall of Lakeview Village Hall and outside the Co-op.

The Yarn Bombers spend a lot of love, time and effort in creating these wonderful displays and were deeply saddened that some of the remembrance display was removed. These displays are for the whole of the Community to enjoy and we are grateful for all of the positive feedback we receive.

Please be aware that if you would like any of the items on display these are available after the display has been taken down.

Our next meeting will be on Wednesday 27 November 7-9 pm at the Wixams Retirement Village and you are most welcome to join us. We welcome new members so if you are interested please contact us - wixamsyarnbombers@gmail.com

Look out for our Christmas display coming soon.

Update from Mayor Tom

A Healthier Future for Wixams

I am pulling out all the stops for residents in Wixams with plenty of positive and exciting news.

So, what's been happening?

The £62.2m Wixams Station has finally begun! The station had been promised 20 years ago but was never delivered. After being elected last year, I was determined to see this promise fulfilled and in July 2024 the Council entered an agreement with Network Rail to construct a two-platform station.

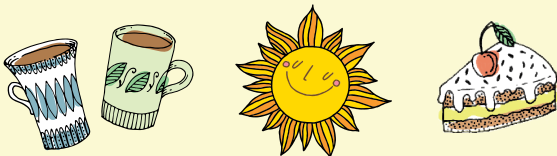

Spades hit the ground on the 2 September 2024 and work is proceeding as planned with the station possibly on track on be

completed as soon as 2026.

I was also immensely proud to cut the ribbon and officially open the new Willow Grove Primary School on the 20 September 2024. Backed by approximately £24million, the purpose-built school will feature a host of high-quality features such as high-spec classrooms and a great range of sports provisions.

Last but not least, the Zebra Crossings. It is important that residents no matter the age have a safe route to and from their home to their chosen destination. There are two Zebra Crossings coming to Wixams and construction started 28 October 2024.

As you can see this isn't all talk – real tangible progress is being made as promised in my manifesto.

Wixams Community Café

The Wixams Community Café is open weekly and for just **£2 each** (kids under 5 go free) you get unlimited tea, coffee, squash, biscuits and cakes.

Everyone is welcome so why not pop in for cuppa and a natter?

Farewell to the Wixams Community Watch

Dear neighbour,

After several years of working together to keep our community safe, the Wixams Community Watch group has decided to close. We want to express our sincere gratitude to everyone who has supported our efforts over the years. Your involvement and dedication have made a real difference in our neighbourhood.

We're proud to announce that we've donated all of our remaining funds to the local newsletter group. We've also donated any leftover stock, including the safety equipment, toys and banners we used for community events.

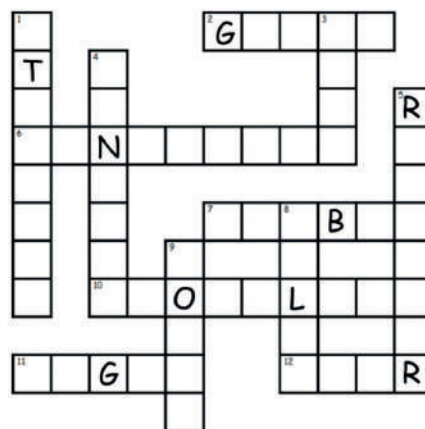

Thank you again for everything. We hope you'll continue to look out for your neighbors and keep Wixams a safe and welcoming place to live.

Kind regards,
WCW committee

WIXAMS NEWSLETTER

Notice

Our Volunteers have worked hard over the year to pull together and deliver the newsletter trying to ensure you are kept up to date with local news. To allow our volunteers a little break over the festive period there will be no Newsletter in December BUT there will be a bumper edition in the first week of January 2025. The January newsletter will be collated in December ready to send to print in December but not issued until January. We would like to take this opportunity to thank all of our volunteers who make this Newsletter happen - Designer, Editor, Treasurer, Committee and the wonderful deliverers who get this to you each month. We'd also like to thank those who have worked hard to provide contributions to our Newsletter throughout the year to provide content to ensure our residents are kept up to date with local developments.

We would also like to thank all of our advertisers who continue to support us.

If you would like to write something for our newsletter please contact us -
advertising@wixams.org or barbiematt30@icloud.com

Finally we would like to wish you all a very merry Christmas and a happy, healthy new year.

Have your say on Youth Facilities in Wixams at the **Youth Engagement and Activities Fayre** at Wixams Academy on Tuesday 14 January 2025 – 15:30 to 17:30

Wixams Parish Council and Houghton Conquest Parish Council are holding an event after school on Tuesday 14 January 2025. The event has two purposes; firstly to provide information about the available activities for young people in and around Wixams and secondly to provide opportunities for those who make decisions about Wixams to hear what is needed here.

This event is for young people between 10-17 years old but parents, carers and those wanting to support with the youth provision planned for Wixams are also welcome to come along. The session is completely FREE to attend, and if you have any special access requirements please just let us know.

Join us at Wixams Academy to

Hear from over 20 local groups including various sports clubs, music groups, youth services and cadet detachments about what they have to offer and how you can sign up.

Meet with representatives from a Skate Park provider and companies who design outdoor youth provision such as hang out shelters, games tables and DJ booths.

Feedback your thoughts on what you want to see in Wixams to those who make the decisions

Help us to shape the future of Wixams

In the recent S106 planning application youth provision was earmarked as a “reserved matter” to be dealt with outside of the outline application for Wixams facilities. This means that further thought and development needs to occur before the youth provision is submitted for planning permission. A budget of over £300,000 and an area of 250-800 sqm was put aside for youth provision (see map), so now is the time to feedback to developers and planners on what you want to see in this space!

To ensure your voice is heard there will be a representatives from both Bedford Borough Council and Central Bedfordshire Council, the developer (Urban and Civic) as well as local planning teams, police officers and youth engagement teams present at the event.

If you would like to recommend any further groups to invite to the session, or have any further questions please email: wixamsyouthengagement@mail.com.

Wixams Events Group Halloween Spooktacular

The Wixams Events Group held their annual Halloween Parties on Saturday 26 October. There were a lot of spooky things going on including a visit from the Grim Reaper and lots of Halloween themed crafts including putting your hand in a stone and guessing what was in there – very scary. Lots of spooky decorations including a hanging skeleton and a really lovely balloon entrance. The DJ joined in with games for the younger ones. There was a prize for the best dressed person in both sessions – take a look at the winners:

Wixams Winter Wonderland – Saturday 30 November 2024

We have a lot of exciting and new things lined up for you at our Wixams Winter Wonderland so please come along and join in the fun.

We are also pleased to announce:

Santa's Special Delivery Post Box will be at the Winter Wonderland

Parents, get ready for some serious holiday magic! This year at the Winter Wonderland we will be launching something brand new to make the season even brighter – Santa's North Pole Post Box

Here is how it works: get your little ones to write their letters or Christmas lists and pop them right into Santa's official post box – it's a direct line to the North Pole – no Sleigh required!

But here's the best part: Santa himself will write back, complete with a little surprise in the mail for your child. (Yes the elves are going above and beyond this year!)

So swing by, make a little holiday magic, and watch your kids' eyes light up when they hear back from Santa!

PS Don't forget to include your child's name and your address, so Santa's Elves know where to send the card.

The Post Box will be available outside Lakeview Village Hall next to the Christmas Tree from Saturday 30 November until Sunday 15 December 2024.

Not only that but Santa asked us to post a letter to you all because as well as attending the Wixams Winter Wonderland on 30 November he has put an extra date in his busy schedule for a second chance to meet Santa -

Second date to visit Santa at Lakeview Hall

Dear Wixams Residents,

Santa is making a special visit to Wixams Village Hall on Sunday 15 December between 11.30am and 3pm, with assistance of Wixams Event Team and Community Group. If you wish to attend, tickets are £4.50 per child, this includes a small gift. To book tickets, scan the QR code to the right.

Hope to see you soon,

Santa Claus

Preparation time
less than 30 mins

Cooking time
10 - 30 mins

Makes
12 mince pies

Ingredients

- 300g/10oz plain flour, plus extra for dusting
- pinch salt
- 150g/5oz fridge-cold butter, cut into 1cm/1/2in dice
- 3 tbsp icing sugar
- 1 large free-range egg, beaten with 1 tbsp very cold water
- 300g/10 1/2oz mincemeat

To finish

- 1 medium free-range egg, beaten
- 1 tbsp caster sugar

STEP 1

To make the pastry, place the flour and salt in a food processor and add the butter. Using the pulse function, whizz until it resembles coarse breadcrumbs. Add the icing sugar and pulse again to mix. Add the beaten egg mixture and pulse briefly to mix to a rough dough.

STEP 2

Tip the pastry out onto the work surface, and using your hands, lightly bring the dough together into a ball and wrap in cling film or place in a plastic sealable box to chill for about 20–30 minutes (this prevents pastry shrinkage later on).

STEP 3

If making the pastry by hand, put the flour into a large bowl. Grate in the butter using the coarse grater blade on a box grater. Coat the butter in the flour by lightly mixing it with your fingers. Using your fingertips, lightly rub the butter into the flour until it resembles coarse breadcrumbs. Stir in the caster sugar and salt. Using a table knife, stir in the beaten egg mixture to make a rough dough, then turn out onto a lightly floured board and bring together into a ball. Wrap and rest in the fridge as above.

STEP 4

Brush a 12-hole bun tin with melted butter and set aside in the fridge.

STEP 5

After chilling, turn the dough out onto a lightly floured work surface. Roll out into a circle that is about 4mm/1/8in thick. Use a round cutter to cut out 12 discs of pastry that are about 6mm/1/4in bigger than the size of the bun tin holes. Bring

the scraps of pastry together lightly and re-roll as necessary.

STEP 6

Press a round of pastry into the bottom of each hole. Fill each pastry case with a level tablespoon of mincemeat. Don't overfill them as they will leak and make your mince pies stick to the tray.

STEP 7

Cut out 12 lids with a smaller pastry cutter, re-rolling the pastry as needed. These can be fluted or straight-edged, as you like. Brush a little beaten egg around the base of the lid and stick it down onto the pie edge, pressing gently to seal. (Try to avoid getting egg wash between the pastry and the tin, as this can also lead to sticking.)

STEP 8

Brush the tops of the mince pies with egg wash and sprinkle lightly with caster sugar. (You can use any pastry scraps and tiny cutters to cut out shapes like holly leaves and stars to stick on the tops of your pies.) Use a sharp knife to make a small incision in the middle of the pie, or several decorative incisions, to let out the steam as they bake.

STEP 9

Return the pies to the fridge while you preheat the oven to 190C/170C (Fan)/Gas 5.

STEP 10

Bake the mince pies for 20-25 minutes, or until golden-brown and crisp. Set the tray on a wire rack to cool for five minutes, and then turn the mince pies out. Serve with your choice of brandy butter, cream or ice cream.

Have you got a tasty recipe that you'd like to share with the community? We'd love to feature it in a future edition. Email newsletter@wixams.org

The Parish Churches covering Wixams

"The welcome someone receives in church has a huge impact on whether they stay. Many of us are in church because of the acceptance and inclusion we've felt when we entered it, and that we continue to feel as we've remained".

We don't just meet to worship on Sundays!

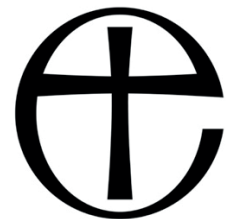

For Weddings, Baptisms, Funerals, Bible Study and so much more you will always be assured of a warm welcome.

Gardening Tips for November

by Marion Colledge

What a wet year it has been. I didn't win prizes for my grapes this year. They were pretty small and not quite ripe by the time of the show. But I won runners up prize for the largest weed. It was enchanters nightshade which was trying to colonise under my apple tree. But I had a good harvest. How has yours been?

Last week I said goodbye to my golden delicious apple cordon (wall trained at 45 degrees) 45 years old. The walls in my garden are too dry for apple trees really and when we then get a lot of rain, the bark splits and diseases can get in. It had a nasty fungus called coral spot. <https://www.rhs.org.uk/biodiversityCoralspot>.

Quince is rather an unusual fruit. I've got a dwarf quince on my allotment and it has produced a lot of fruit. I have used a Nigel Slater recipe with lots of cider vinegar to very gently cook them.

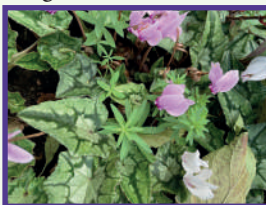

Jobs for this season

If you're lucky, you could still plant some cabbages. Don't forget to give them lots of lime or crushed eggshell around the stems as this protects them from grey cabbage aphids. Cabbages need a lot of calcium. Do remember to rotate them on the land, not putting them where others of the same family such as mustard or kale have grown this year. This helps to keep disease down. If you've only got a trug or two, you can still rotate so now you could be planting cabbages if you had peas or potatoes before. Using companion planting, I am going to mix them with Welsh onions and garlic.

Another thing you could do is clean your pond. I am going to try to clean across the top of my pond as there's too much duck weed on it. I will use a sheet of cardboard like a sweep, then compost it.

Last year I talked to you about making a leaf cage. This year I've decided to buy a leaf shredder because I'm not getting enough leaves or leaf mould to cover up the cardboard on spare land on my allotment. In Wixams you are lucky because you can go to the woods only a couple of miles away to collect leaves.

Now is a good time to think about

how you want your garden to look next autumn. I am planning next year's autumn garden with my eye and once again I have got too many light coloured Michaelmas daisies. As every year I am going to take some out and 'coral' them with plastic (yes the dreaded plastic) lawn edging vertically below the ground surface to stop them spreading. Giving some away every year hasn't worked.

I will split and move my smaller deeper purple ones next to them.

If you have a herbaceous border don't forget to leave some of the woody stems till March for insects to overwinter in. The RHS has a video clip about this 'How to Use Herbaceous perennials to provide for wildlife'.

Gardens to Visit

Anglesey Abbey is a lovely garden to visit at this time of year, perhaps a bit far away, but very child-friendly. This winter, they've got a 'We're going on a Bear Hunt Trail' for the children. I bought cyclamens there many years ago and these have naturalised in my garden under my viburnum fragrans whereas others bought from a superstore have died in the winter frosts because they had been grown in greenhouses and weren't hardy.

Have a lovely autumn and enjoy your gardening.
