WIXAMS NEWSLETTER

An Independent Newsletter covering all parishes across Wixams • editor@wixams.news

YOUR NEWSLETTER IS EVOLVING

FIND OUT MORE ON THE INSIDE

WE ARE WIXAMS NEWS

AN UPDATE FROM THE WIXAMS NEWSLETTER COMMITTEE

The Wixams Newsletter committee held their annual AGM on Thursday 27th February.

A new editor was voted and with this brings a time for change at the Wixams Newsletter.

The next phase of our evolution will soon begin.

The Wixams Newsletter began in 2020 by a small team of committee members. The main aim was to ensure the Parish Council could fulfil its legal obligations to communicate with the local community. Alongside this share news and stories from around the Wixams community. The newsletter has been a constant reliable source for news in print ever since.

As we now move into our 5th year we have reached a point where the content and design needs a facelift.

THE NEXT PHASE

The Wixams Newsletter Committee are forming very exciting plans to increase its presence within the community.

Sharing up to date community news and events are paramount. There are always plenty of things we can share and talk about, that sometimes cannot wait for a monthly print to hit your letterbox.

With this in mind the Wixams Newsletter team will be building a high quality news website that will allow us and other local sources of information share new and information in real time. Alongside this website we will also have a dedicated presence on most major social media platforms.

With the initiative to take Wixams Newsletter online with a dedicated website and have more presence on social media the team will update the branding from Wixams Newsletter to Wixams News. This simple brand update does not change who we are or what we are about, the organisation is still the same, but we feel this rebrand will enable us to comprehansivley encompass all media forms under one banner;

Wixams News - Website, Social Media and printed newsletter

WHAT ABOUT THE PRINTED NEWSLETTER?

The printed newsletter that you get delivered free each month will remain, this is still the cornerstone of what we do.

What you can expect is a complete refresh of the design, raising its quality, making it even more engaging and attractive to read.

WILL YOU BE CHANGING THE CONTENT

Yes, over the next few month you will see a shift in the quality of the content we produce.

We will continue to support local authority and development to ensure you stay up to date with all the usual community developments and local politics.

However, going forward, with a new lease of life we will be dedicated and focused on supporting local clubs, groups, individuals and businesses.

Giving the community valuable insights through advertorials from local business owners.

Promoting and showcasing the amazing local clubs and groups.

Championing our local community hero's and initiatives.

THIS SOUNDS EXCITING! HOW CAN I GET INVOLVED?

We welcome feedback, suggestions, content and time from anyone in the community. You do not need to be on the committee to submit content or ideas, we are an open forum.

If you feel that you have something important to talk about or share. If you have an event you want to advertise then we urge you to get in touch.

We aim to create a network of members that can help feed in up to date information and content, develop relationships with everyone, helping to grow a great sense of community spirit and togetherness.

Wixams Parish Council News

You were informed in the last edition of the newsletter that Wixams Parish Council has a new Clerk, let me introduce myself.
Sarah Gallagher born and bred in Bedford, originally from Cople. I have lived in Shortstown for almost thirty years, twenty-five of them a parish councillor for the then Eastcotts Parish council and later Shortstown Parish Council.
Four years ago I decided I wanted to qualify to become a clerk, I have completed various training courses and I clerk for two other parish councils in Bedfordshire.

How or why did I become a parish councillor?
I wanted to help the community, making changes for the better and offer help and guidance in things that I have experience in, but most importantly I wanted to continue to make the area I lived in a better place for everyone.
Currently Wixams has one vacancy, so if you think you would be interested in this voluntary role, please let me know.
There is a criteria that you have to meet before you can be considered.

- You must be on the electoral roll in the parish or
- You must reside in the parish for the past twelve months or rented/tenanted land or other premises in the parish or
- Have a principal place of work in the parish or
- Live within three miles of the parish

The parish council meets every third Tuesday of the month where various items are discussed, these range from planning, finance and highways.
If you think you may be interested in becoming a parish councillor or would like further information, please contact me Sarah Gallagher
clerk@wixams-pc.gov.uk

Development Engagement Event

On Tuesday 18 February Urban & Civic the new Master Developer for Wixams held a Development Engagement Event. The event was held to engage with the Wixams Community on the plans for the Sports & Leisure facilities to be built in the rest of the town.

The purpose was to hear our views and make changes before the re-submission of the application. Wixams has at last been given the opportunity to influence the plans for where we live.

The event was well attended with about 50 attendees. Jack and Josh from Urban & Civic brought display boards showing the most recent plans and invited people to make notes on post-its to put on the map.

The event was specifically about sports and leisure as this aspect of the application will have to be agreed first to inform what will go into the town centre.

The last plans included 6 tennis courts but from feedback received from the Wixams Youth Event on 14 January there is a strong demand for a full sized dedicated basketball court and a skate park.

Mayor Tom

Update on Wixams: We're Doing Everything We Can

It is completely unacceptable that residents have gone nearly two decades without a local GP surgery. I want to be absolutely clear: myself, the Council, and the Executive are doing everything in our power to make this a reality. The funding is in place, and both Bedford Borough Council (BBC) and Central Bedfordshire Council (CBC) are fully committed to delivering this vital service.

However, the current delays are tied to the development of Wixams Town Centre, which will house the GP surgery. But rather than wasting time pointing fingers, we are focused on pushing progress forward.
That's why BBC has been working tirelessly with CBC and the Integrated Care Board (ICB) to find a way forward. The good news is that progress is happening, the Town Centre developer is reviewing and revising plans, which will directly impact the timeline and delivery of the GP surgery.

I will continue to meet with all parties involved to push this forward because having a local GP isn't just about convenience - it's about ensuring residents can have access to the healthcare they need, when they need it.

Looking Ahead

There's plenty to be excited about for the Wixams area – myself and your BBC ward councillors are continuing to deliver for you. We are proud to have initiated the build of the new railway station, and on top of that we have secured the finances for the expansion of Wixams Secondary Academy.
As your Mayor, I'm committed to making Wixams a fantastic place to live, work, and raise a family.

Wixams Surgery Action Group Update

The local ICB (NHS body responsible for provision of health services) have issued a disappointing update on the progress of our promised GP surgery. Sadly the update provided no new information and no deadlines for progress.

Members from the surgery action group, Houghton Conquest Parish Council and Wixams Parish Council attended the recent Central Bedfordshire Health Scrutiny Meeting and asked why plans for the surgery appear not to have progressed and to fight for our health provision to be prioritised.

All the action points agreed at their November Scrutiny meeting had frustratingly not been actioned, nor had they reached the agenda to be reviewed by full council.

Wixams needs to fight if it wants to ensure this vital provision is part of its future. To do this we need to keep Wixams at the forefront in local and national news and on the agenda for discussion at every relevant council meeting.

The Surgery Action Group consists of a very small number of volunteers and needs more help if we are to raise the profile of Wixams health provision.

If you can spare a couple of hours a month to send emails to lobby stakeholders or attend a council meeting please get in touch. We also know of residents who have difficulties accessing primary health care and would ask that if anyone that is willing to share their story gets in touch so we can create some impactful patient stories to demonstrate the real need for a surgery here in Wixams.

Contact barbiematt30@icloud.com if you think you can help in any way.

March Garden Update

by Deirdre Wilcock

This month Spring finally arrives! What a loooong winter it has been. I think the sun is broken (at the time of writing this it has been grey day after grey day. I hope someone turns the sun back on by the time this is published!) I'm eagerly awaiting for it to be fixed! The garden really becomes alive this month. You will be rewarded this month for all your hard work back in Autumn. Spring flowers will spring to life this month and bring some much needed colour and joy to the garden. If you've been in gardening hibernation, this month will get you back out and keep you busy!

Save money and sow some seeds!

Why not save yourself some money and grow your own flowers? It's very rewarding and so much cheaper than buying already established plants in the garden centre. You don't even need a greenhouse, a sunny window indoors is sufficient enough. Some seeds can be directly sown into the soil but our clay soil will still be much too cold from winter this month so hold off for another month or so for seeds that can be directly sown. Get the children involved too. Sunflowers are great seeds for little hands as they are much bigger to handle. Have a competition with your neighbours: Who can grow the biggest Sunflower? Little tip, feed the sunflower with tomato feed for an extra boost in height!

My top 5 star plants for March:

- **Daphne mezereum** - highly perfumed pink flowers in clusters on bare branches
- **Anemone bland 'Violet star'** - plant tubers in Autumn for an amazing Spring display!
- **Prunus sargentil** - Flowering cherry tree, so beautiful
- **Narcissus 'Cheerfulness'** - double fewer daffodil with an amazing scent
- **Forsythis x intermedia** - brightly coloured shrub, tolerant of most soils and conditions

Deirdre is a RHS qualified gardener and owner of Green Hands. For more garden updates find Green Hands on Facebook **@deirdregreenhands**.

Tasks for March:

- Given your lawn it's first cut of the year if you haven't already done so, cut it on a high setting at first then lowering to desired height thereafter
- Treat any moss on lawns that has formed over winter
- Mulch bare soil in border to prevent weeds setting in
- Prune any shrubs with colourful winter stems such as Cornus
- Move any evergreen shrubs that you want to move this year before they 'wake up' in Spring
- Tie in any climbers such as roses and stake any trees that require it
- Prune roses this month as new growth will start to emerge
- Start planning for your summer garden by planting summer flowering bulbs if the ground isn't frosty
- Lift and divide overgrown clumps of summer flowering herbaceous perennials

Happy Gardening!

Wixams Youth Engagement 2025

The Youth Engagement Event

On the 14th January 2025 a youth engagement event was held after school at Wixams Academy, hosted jointly by Wixams Parish Council and Houghton Conquest Parish Council. The purpose being to showcase the groups and activities available locally for 10–18-year-olds ensuring their voice was heard by the councils and developers planning Wixams.

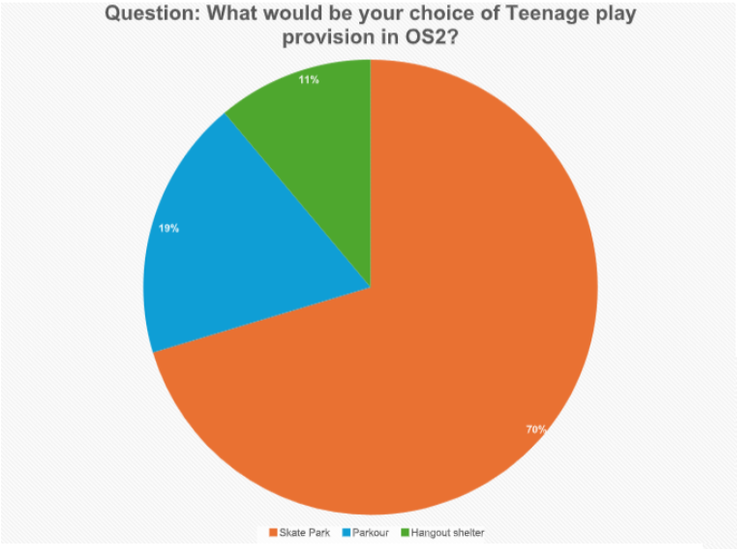

The event was really well received and a positive experience for the 200 young people attending. The young people were courteous and engaged with all stall holders, sharing ideas on what should be considered in Wixams, many providing feedback on how good it was to be included in plans for where they live.

There were also national play exhibitors (A skate park provider and two play providers showcasing interactive equipment and hang out spaces) enabling the young people to really explore different types of provision; it was surprising how many suggested ideas that had never been thought of before including small changes to the current open spaces such as more trees, places to ride their bikes and improved lighting.

It was an excellent opportunity for attendees to meet over 20 groups that already provide youth activities in or local to Wixams. Seeing the young people engage with the stall holders was really positive, with many young people leaving with information on groups they stated they did not know about before the event.

It was a really collaborative experience where both councils gained insight to youth experience in Wixams. Bedford Borough Councils community team engaged the young people with table top activities including asking what the youth would do if they were Mayor for the day; and Central Bedfordshire brought their very popular Community Safety and Engagement bus which many commented on how much they enjoyed visiting.

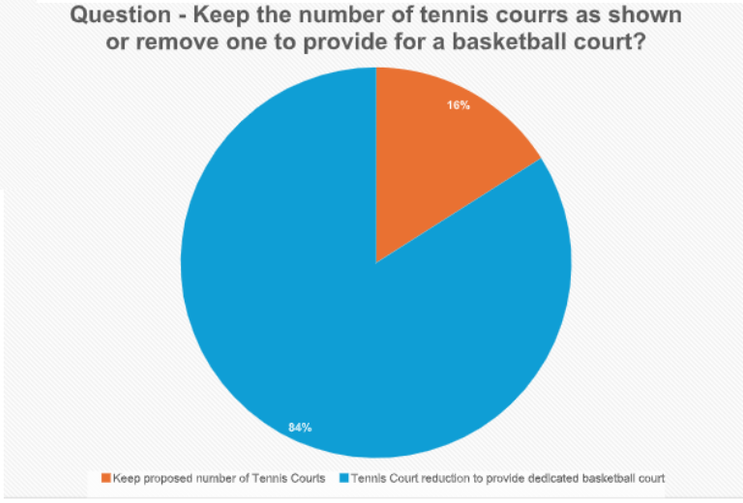

The developer brought information boards and maps asking the youth to highlight what was important to them (Results below), it is fair to say that throughout the whole event they had young people engaging directly with them and were asked for many things including sports provision, shops, libraries and cafes.

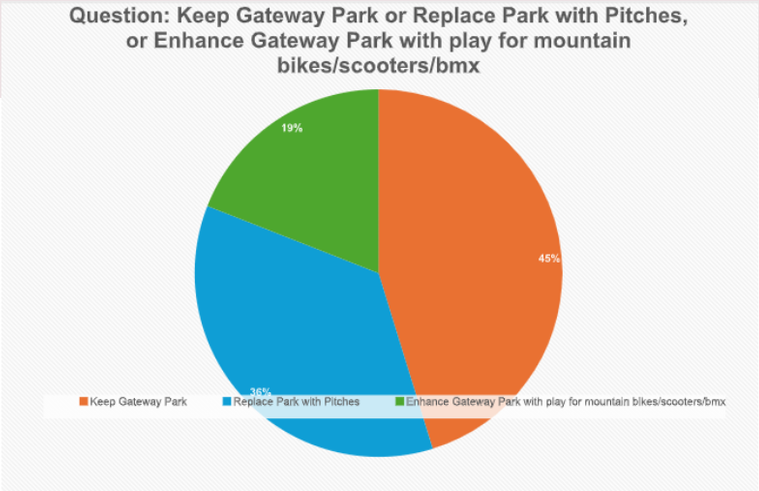

70% Skate Park

19% Parkour

11% Hangout Shelter

84% support removing a tennis court from plans to provide a basketball court

45% Keep Gateway Park

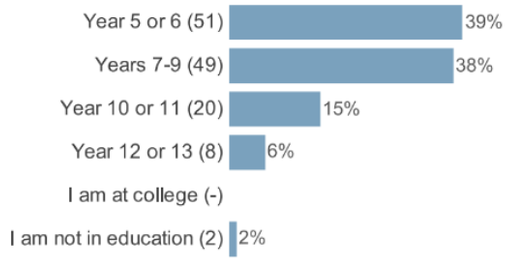

36% Replace with Pitches

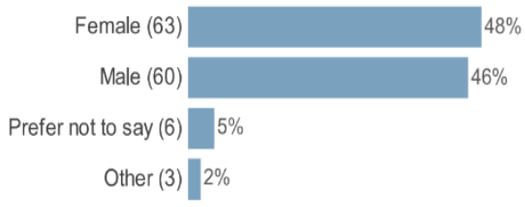

19% Enhance with Play for Mountain Bikes / BMX/Scooters

The Youth Engagement Survey

In conjunction with the event a youth survey was created jointly by the two parish councils, Bedford Borough council, Central Bedfordshire council and the developer to ensure all stakeholders worked from the same evidence base when representing the youth of Wixams in planning decisions in the future.

The survey ran for 2 weeks after the event and was circulated to young people between 10-18 years old by the local schools, youth groups and through direct face to face engagement with the Central Bedfordshire Community Engagement bus, which visited Wixams each Wednesday evening in January. The survey was completed individually by a range of children from different year groups with some responses being whole mixed sex class groups (Other).

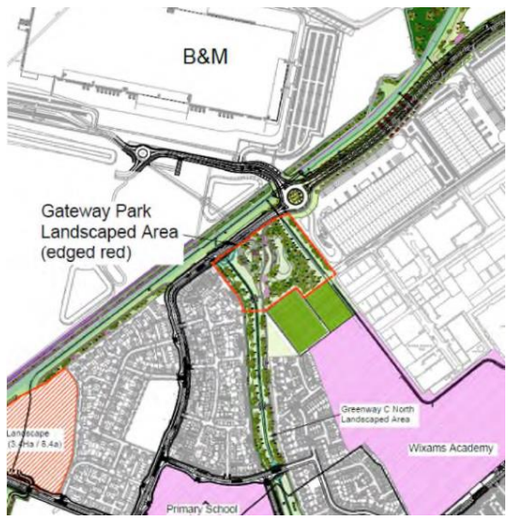

The survey received 133 responses which mixed with the direct engagement data from the youth event provides useful information to potentially influence the future of Wixams.

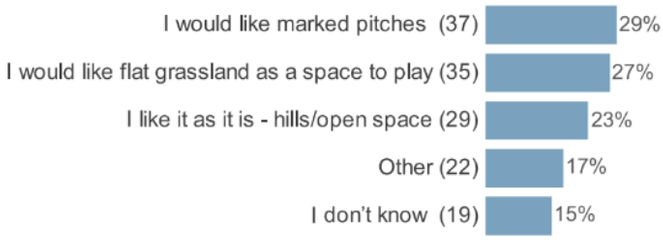

It was pleasing to note how happy most respondents were living in Wixams with only 8% stating they are unhappy about living there; with many respondents valuing existing outdoor spaces including the parks, 3G pitches, play spaces at their schools, footpaths, lakes and open spaces including the town park and field on Harrier Leys.

The youth were asked what activities they already engage in either inside or outside of Wixams and football, basketball, netball, swimming, boxing and cricket were popular responses with other sports such as mountain biking, rugby, dance and tennis mentioned numerous times too . Other responses included horse riding, scooting, skateboarding, roller skating, athletics, American football, badminton, archery, gymnastics and hockey.

Respondents were also asked what they would like to see more of in Wixams; with outdoor and indoor sport being the most popular responses, followed by music and performing arts clubs. Some respondents (17) asked for more uniformed groups such as cadet detachments and 10 respondents thought we could do with more scout and guides groups. Other ideas from the youth were to have more shops, a bike track, a gym or a trampolining club.

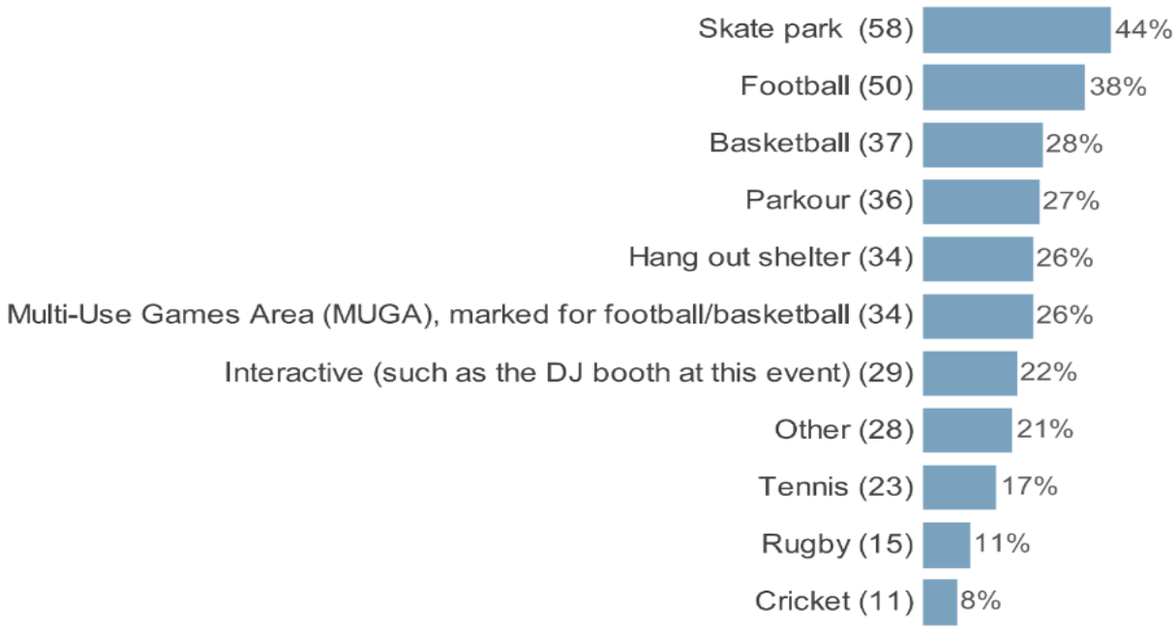

The Gateway Park - This piece of land saw the creation of an unusual S106 application with parallel planning in 2024, one for the area to remain in its current condition and the other to provide further football pitches. It was therefore useful to ask young people their opinion on what would be preferable to them. Like with adult S106 responses the youth results were mixed.

Other suggestions for the gateway park space were a library, off road bike track, sensory garden, shops, graffiti wall or alternative sports pitches including basketball, netball and volleyball.

Finally, the youth were asked what three activities they felt were most important to be added into Wixams. A skatepark rated highest with 58 responses, followed by football with 50 responses and basketball with 37 responses. Parkour, hang out shelters and MUGA's marked for football and basketball all received between 34-36 responses each. The remaining responses were split between interactive play features, other ideas, tennis, rugby and cricket, in that order. Some of the other ideas mentioned were more outdoor spaces including a sensory garden, a café, varied sports, a bowling alley and an electric scooter path.

Thank you to Wixams Academy for hosting the youth engagement event and to all the stakeholders and groups involved, who gave their time to engage with the youth of Wixams.

Strawberry shortcake cupcakes

Prep:30 mins
Cook:10 to 30 mins
Makes: 12

Ingredients

For the strawberry ice-cream icing

- 175g/6oz lightly salted butter, softened
- 350g/12oz icing sugar
- 100g/3½oz strawberry ice cream, melted

For the cake

- 12 round vanilla sandwich biscuits12 small–medium strawberries, tops sliced off
- 110g/4oz clotted cream
- 110g/4oz caster sugar
- 2 free-range eggs
- 1 tsp vanilla bean paste
- 110g/4oz self-raising flour, sifted
- 10g freeze-dried strawberries, to decorate

Method

Step 1
To make the icing, whisk the butter with an electric hand whisk until pale and creamy. Sift in the icing sugar. Stir with a spoon to roughly combine and then beat with the electric whisk until light and fluffy. Add the ice cream and whisk until just combined.

Step 2
Place in the fridge for at least 1 hour. Whisk the chilled icing until fluffy then transfer to a piping bag fitted with a 1cm/½in star nozzle and put it back in the fridge while you get on with the baking.

Step 3
Preheat the oven to 180C/160C Fan/Gas 4 and line a 12-hole large muffin tray with some cupcake cases of your choice. Add a biscuit to the base of each case, then top that with a whole strawberry, pointy bit facing up.

Step 4
To make the cake batter, add the clotted cream and sugar to a mixing bowl and beat together until light and fluffy. Add the eggs one at a time, mixing well after each one. Add the vanilla bean paste and flour and mix until you have a smooth batter.

Step 5
Divide the mixture between the 12 cases, making sure that each strawberry is completely covered. Tap the tray on the work surface to level off the batter and bake for 15 minutes, until they are fluffy and golden.

Step 6
Take out of the oven and leave in the tin for 10 minutes before transferring them to a cooling rack.

Step 7
Pipe the icing onto the tops of the shortcake cupcakes and then sprinkle with the freeze-dried strawberries.

WE NEED YOU!

DO YOU HAVE SOME FREE TIME?

ONCE A MONTH?

COULD YOU HELP DELIVER THIS NEWSLETTER?

In October 2020 we launched the Wixams Newsletter that followed on from the Wixams Neighbourhood Watch Newsletter.

At that time the area we covered for delivering Newsletters was manageable.

Over the last few years the village has grown and is still growing and whilst we have a lot of lovely deliverers across Wixams we need more and more.

If you can help, even if it is only your own Street, please get in touch.

You don't have to do anything as the Newsletters are delivered to your door, all you have to do is deliver them to your allocated streets.

If you can help please email:
Editor@wixams.news

Currently we are looking for help to cover:

Village	Streets
Village Two Willow Grove	Jackdaw Drive (off Harlequin Crescent)
	Hedgehog Mews
	Tawny Avenue (leading from Hedgehog Mews)
	Minnow Way
Village Three	Taylor Wimpey Homes
	Orchid Way
	Sepia Way
	Violet Road
	Verde Avenue
	Cooper Close
	Fisherswood Road
	Abbey Homes
	Emmer Drive
	Grassmere Place
	Four Acre Road (Access from the
	roundabout near Willow Grove School)
	Rowan Road
	Mapleleaf Drive

Why Elite SF?

Focused Progress is our slogan and we live and breathe it.

We are here to make a positive difference in bursting out that comfort zone, social skills, self belief, helping sculpt that top 1% in all areas of life and having fun doing it!

Whether that is tailored sessions to your younger one or following the different coaching sessions at holiday camp. We develop character whilst improving their skills in the sport of their choice.

We focus on people first.

The best 'Children's Sports Coaching' out there, let us prove it to you!

The Parish Churches covering Wixams

"The welcome someone receives in church has a huge impact on whether they stay. Many of us are in church because of the acceptance and inclusion we've felt when we entered it, and that we continue to feel as we've remained".

We don't just meet to worship on Sundays!

For Weddings, Baptisms, Funerals, Bible Study and so much more you will always be assured of a warm welcome.
